RECEIVED

AUG 5 1976

Gentlemen:

Committee of Counsel Meeting  
August 17, 1976

I have attached a list of possible discussion points for the meeting of the Committee of Counsel scheduled at the Tobacco Institute at 10:00 a.m. on August 17.

In view of a number of the items on the agenda, it has been suggested that you consider having your Scientific Director attend the meeting.

Please advise Mr. Kornegay as to the number of people who will accompany you so that appropriate luncheon arrangements can be made.

Very truly yours,

*Arthur J. Stevens*  
Arthur J. Stevens

Committee of Counsel

August 17, 1976 - 10:00 a.m.

Tobacco Institute

Suggested Discussion Points

1. Request from FTC for input with respect to proposed acquisition by FTC Testing Laboratory of carbon monoxide testing machine.
2. Proposal for carbon monoxide data collection by companies.
3. Consideration of purchase by TITL of gas chromatographic equipment.
4. Consideration of CTR behavioral research project.
5. Presentation by Ed Jacob of information relating to Dr. Eysenck.
